

CASA MAGREZ DE URUGUAY

Fine blend of grapes coming from the best vineyards.

Developed in casks, it contributed to complexity.

Complex, strong and silky, with a dark ruby color, the nose has notes reminiscent of eucalyptus, clover, leather and prunes. In the mouth, this wine is intense and smooth displaying high complexity and persistence. The elegant and round tannins dominate the notes of fig marmalade, chocolate and coffee. This wine presents a remarkable long finish.

We recommend serving at room temperature, two hours after uncorking, or 20 minutes if using a decanter.
